

CRYA was founded in 1933 to encourage sailing and racing yachts on the Columbia River and its tributaries. A lot has changed since then. Today CRYA represents 19 clubs and over 2000 members serving as a central coordinator for the following main categories.

- Cruise Schedule coordination/printing
- Projects that enhance Boater experience in local destinations
- Opening Day Boat Parade Coordination and oversight
- Oregon State Marine Board, River Patrol support, Boating agencies
- Boater safety and life Jacket safety

Our Mission is to help make recreational boating better by promoting new and improved facilities, along with water safety and training for the boating community. It is also to be the conduit between member clubs to county, state and federal programs that facilitate and promote these goals.
